

CRU ROMANIA- FLORIN AND DANA FODOR

Dear friends, may God bless you! When we are involved in God's ministry, most of the times we are not aware of all the impact we have in someone's life. Only when we will get to heaven we will truly know how many souls we have touched by our service! But sometimes, in His mercy, God allows us to hear testimonies of people whom we inspired to faith. Below, you can read several of such testimonies, coming from people who felt blessed because of the ministry projects we offered.

CONFERENCE FOR CHRISTIAN TEACHERS

*It was so good to be with all of you. We traveled a long way, but it did not matter because we knew what we were coming to. I was nourished in all areas of my life, just as I always am when I attend your seminars and conferences. I learned how to put God first in my life and let Him do the work in everything, according to His will. I want to let Him shine in my life in everything I do. And I want to be salt and light for my students and their parents. My prayer is that they will be interested in knowing God, at their turn. **Alina***

TEACHING AT TWO HIGHSCHOOLS (9 CLASSES AND 200 STUDENTS)

*Thank you for coming at our school. They were all excited- both teachers and students- because they were able to speak English, on subjects such as life and career. I placed the material with Bible verses you gave me on my desk. Several colleagues saw it and liked it. They want to get a copy of their own. **Nicoleta***

Cum să fii un dascăl mai bun?

O serie de 3 workshopuri:

- Starea de bine a profesorului
- Cum să fii un profesor cu influență
- Profesorul și scopul în viață

Când?
Din 23 Martie
pe Zoom

WORKSHOP "HOW TO BE A BETTER TEACHER"

*The meetings you are offering are the only courses/ conferences that I am eagerly waiting. I can't stop attending all of them. From this workshop series, I learned how can I become a more committed teacher and how can I have a greater positive influence on my students, based on certain values. After attending the last session with you, I am earnestly thinking about what is our purpose in life. **Elisabeta***

MENTORING TEACHERS

*I am writing this to let you know that you changed my life. After our mentoring sessions, I am now a different person. I applied to become counselor in personal development, in order to help the children at school. You inspired me greatly. God gave you a special gift to change people for the better. And, by helping us, you are actually helping thousands of children in Romania. Thank you and may God reward your work! **Georgiana***

RESOURCES OFFERED IN TENS OF SCHOOLS

At our last meeting with the parents of the students, I successfully used the materials you gave us. I spoke to the parents about different parenting styles and their impact on the development of children. The lessons are well structured and offer useful information, helping the parents to be more effective in their relationships with their children.

*Also, the DreamMakers material is an excellent resource for teachers, because of its practical approach on the development of children, by cultivating ethical values and principles. **Carmen***

PREACHING IN DIFFERENT CONTEXTS

*- I always enjoyed your sermons. They impress me in a profound way. Each person (either old, young, or children) can learn something from them. May the power of the Holy Spirit always guide you! **Lidia***

*- On Sunday, I was touched by your sermon, brother Florin. May the Lord give you wisdom. May the Holy Spirit work through your speaking. I had to face many troubles in my life. God spoke to me through you. **Vali***

PRAYER REQUESTS

- Our daughter Irene is graduating the 8th grade and she will give a National Evaluation test on June 19-22, in order to enter highschool. May God be with her and guide us to the best highschool, according to His plan.
- May the Lord give wisdom and boldness to all the teachers who are volunteers in our ministry, in 10 counties of Romania. May they shine for Jesus in their schools.
- June 9-11 and July 28-30 we will go to Ukraine, to show God's love to those in need.
